Calon Lân: A Pure Heart

*"A pure heart, full of goodness, is more beautiful than a pretty flower.
Only a pure heart can sing: sing through the day, and sing through the night."*

About the Company:

The Unknown Theatre Company, Cardiff's award-winning Youth Musical Theatre Company, was formed in 1997. The company has an extremely impressive track record which includes 41 full productions, exchanges with youth theatre companies in Japan and France, and two productions at the Wales Millennium Centre. It performs newly-commissioned works as well as old favourites and strives to provide young people with as diverse and challenging a range of performance opportunities as possible. www.unknowntheatre.co.uk

In its original form, *Ghost City* consists of 25 short scenes spanning 18 hours in one day, across the city of Cardiff. It is presented in this reduced version with the permission of the playwright.

NOTE: Please be aware that *Ghost City* contains frequent and sustained strong language from the outset
