### A message from the company

Welcome to tonight's performance of  
**'A Christmas Cracker.'**

In the first half of the show you will hear songs from some of our favourite musicals such as Hairspray and Les Miserable as well as newer songs from musicals such as We Will Rock You. Some of our soloists are well known to our audiences, but also tonight we would like you introduce to you a number of new faces, both in the older company and also in our younger youths section (the yo yos).

After an interval of 15 minutes during which time we will be serving a complimentary hot drink and mince pie, we will begin the second part of the show which contains a selection of Christmas numbers. Some of these are traditional numbers...please join in. Others are newer pieces that we have learnt just this year and originate from musicals such as Martin Guerre. So please sit back and enjoy the performances and get yourself into a festive mood as we present

**A Christmas Cracker!**
